The Cover scene was taken at the Luther K. Rice Farm, Paris, Ky. He is the largest consignor to this sale, selling nine lots. This picture appeared on the cover of the February 1 issue of the breed magazine, *The Shorthorn World*.

Dear Friends:

I would like to take this opportunity to welcome all of you from near and far to the annual Kentucky National Futurity Show and Sale which is sponsored by this association.

We believe you will enjoy your trip to Bowling Green, and if the purchase of good cattle is your objective, I am sure you will find that the quality is worthy of your investment in time and travel.

A short but interesting program is planned for our annual banquet to be held the evening before the show and sale at the Helm Hotel. We hope you will come early enough so that you will be able to attend and that we will have the opportunity of knowing you better.

Sincerely,

*Raymond Stewart*

President  
Kentucky Shorthorn  
Breeders' Ass'n

*Thomas S. Waller, past president Kentucky Shorthorn Breeders' Ass'n; Ben S. Adams, Commissioner of Agriculture, State of Kentucky; and Mrs. James N. Kirk, sec'y-treas., of the Kentucky Ass'n. Taken at the 1954 banquet.*

Dear Friends:

It has been my pleasure to manage all six of the Kentucky Shorthorn Breeders' sales held at Bowling Green. The cattle have sold to herds in fifteen states. It has been an event to which the breed can point with pride.

On no occasion has it been necessary for me to urge the consignors to this sale to put in their best ... they have the natural desire to do so. This sale is packed from start to finish with good ones. You will be pleased to learn that while good ones always bring more money, the difference is not great, although the profit in owning and producing this kind is much greater.

*Don Longley*

In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
